The Transport Workers Union, AFL-CIO, Local 225 ("TWU") requests that the STB deny the applicants' Motion for Protective Order.

The applicants incorrectly stated that they had served TWU counsel with a copy of their motion. TWU has not retained counsel for this proceeding. The motion was served on the President of TWU. Since the proposed Protective Order would only allow counsel to see certain documents TWU would be placed at a disadvantage in this proceeding.

The TWU has been able to submit relevant information concerning the applicant's filings to the STB because TWU members are intimately involved in the operations of applicant's businesses.⁴ The STB would not be served if TWU was hampered in its ability to provide the perspective of applicant's employees in this proceeding.

Respectfully submitted,

Karen Fleming
President
Transport Workers Union,
AFL-CIO,
Local 225
